### **SCHOOL HOURS 7:55 am – 2:25 pm**

Supervision is not provided and students should not arrive at school prior to 7:15 am. Upon arrival, students sit in the front hall at their class's designated location until the bell rings at 7:35 a.m. signifying dismissal for morning recess.

Students arriving after 7:35 should leave books, lunches, and backpacks at their class's designated location in the front hall and go outside to play until the first bell at 7:47 a.m. Students are tardy after 7:55 a.m. and are required to check in at the office.

School ends at 2:25 p.m. at which time those students who are riding the bus home will be dismissed to the bus loading area. There will be an announcement on the intercom for walkers and those being picked up by parents to be dismissed after the buses have been released. Please do not go down to the classroom prior to this announcement. If it is necessary for your child to leave early, follow normal check out procedures at the office. Please be prompt if you are picking up your child. No supervision is provided after 2:45 pm. Buses generally depart at around 2:30.

### **ATTENDANCE, TARDIES AND ABSENCES**

The importance of good attendance cannot be stressed enough! It is crucial to student success. Please assure that your child arrives at school every day, on time, except in cases of illness, family emergencies, and other excused absences as listed in the KPBSD Policy Manual.

Students who are late miss important academic time and disrupt classrooms and other students. Students returning after an absence must present a satisfactory explanation verifying the reason for the absence. Students are responsible for making up missed work as directed by their teacher.

### **RELEASE OF STUDENTS**

All students must remain on school grounds during school hours. Students may leave school only with permission from their parents and teacher, and approval by the office. Students must be checked in and out of school at the office. For student safety, teachers have been instructed not to release children without authorization from the office.

Students will be released only to parents and those authorized by parents as listed on their emergency form. It is very important that this information remain current and updated. Please notify the school office if your information changes.

If your child has special custody or other legal arrangements of which the school should be aware, please assure that we have a copy of such documents on file in the school office.

### **BUILDING SECURITY**

If you are visiting, please park in the front parking lot and use the front entrance. All parents and other community members entering the building during the school day are required to sign in and out at the office and will be issued a pass.

### **STUDENT INFORMATION**

It is very important that we have up to date address, parent home and work phone numbers, and emergency contact information. Please provide any updates to the office.

### **CLASSROOM VISITATION AND VISITORS**

Parents are invited to observe classrooms; however, in order to create the least interruption of the teaching process, such visits must be scheduled in advance with the teacher and principal.

Students may not bring visitors to school unless prior arrangements have been made with the teacher and principal. All visitors to the school must check in at the office.

### **CLOTHING, COLD WEATHER, AND OUTDOOR RECESS**

Students should come to school dressed for the weather and prepared to go outside. All children go outside for recess until the chill factor temperature is minus 10 degrees Fahrenheit. Generally, any child well enough to come to school is well enough to go outside for recess. Even shortened recesses give the children a much needed break in routine and fresh air. A child too ill to go outside should be recuperating at home. When special circumstances exist, students may be allowed to remain indoors for recess with a doctor's note. Please contact the school nurse to make arrangements.

Boots are essential for outdoor recess. A pair of shoes should be kept at school to wear inside the building. Sitting with boots on all day is not healthy for feet. Students should have a heavy, winter weight coat, snow pants or a snowsuit, warm hat or hood, and gloves or mittens. Contact the school nurse if you need help securing these items for your child.

### **SCHOOL NURSE, STUDENT HEALTH, AND MEDICATIONS**

Our school is served by a nurse five days a week, from 7:30 a.m. to 2:30 p.m. A health

record for each child is kept on file in the nurse's office. All students must present proof of an up-to-date immunization record in accordance with Alaska state law. Various required health screenings are conducted throughout the school year.

Prescribed or over the counter medication you wish your child to take during school hours must be in the original container and a medication request form, available in the nurse's office, must be filled out by the parent or guardian.

In order to protect your child's health as well as the health of other children, keep your child at home for at least 24 hours AFTER any of the following symptoms have subsided: a temperature of 100 degrees or higher, diarrhea, vomiting, or a persistent cough.

Students should report any injury or illness immediately to the school nurse, the teacher, or the office.

### **EMERGENCIES**

In the event of a natural disaster or emergency, K-Beach will implement its Emergency Action Plan. Please do NOT call the school as this ties up emergency lines and critical personnel. Keep your phone line open so that we can contact you. Tune to local radio stations for emergency information. Do not proceed to school to pick up your child until it is safe and you are instructed to do so.

Be assured that a complete care plan and emergency supplies are in place at school and the staff is trained to care for students until they can be safely released to their parents. IMPORTANT! Please maintain up-to-date contact information for your child, specifically telephone/text numbers, and email addresses. The KPBSD website will post additional pertinent information if an emergency situation exists. Please go to <http://www.kpbsd.k12.ak.us/>.

### **SCHOOL CLOSURES OR DELAYS**

Should severe conditions exist, an announcement of either school closure or a two hour delay in school opening will be made over local radio stations prior to regular bus service. Please tune to a local radio station and wait for instructions. This information will also be posted on the on the KPBSD website <http://www.kpbsd.k12.ak.us/>.

### **INFORMATION ABOUT STUDENTS**

Information about students may be released to the newspaper and other organizations (awards, honor roll, etc.) A form is sent home at the beginning of each school year offering parents the opportunity to exclude their children from such announcements. Please advise us if you do not want your child's name released.

### **STUDENT TELEPHONE USE**

Students are allowed to use their classroom telephone, with teacher permission, to call

home for school related purposes or for emergencies. Please help us keep student use of the phone to a minimum.

Students should make all lunch and after school arrangements PRIOR to coming to school. Students are not allowed to use the telephone for social purposes.

### **FREE AND REDUCED FEDERAL LUNCH PROGRAM SCHOOL LUNCHES**

We encourage all families who qualify to complete a Federal Programs/Lunch Program application. You do not need to complete a form if you do not qualify. Forms are sent home at the beginning of each school year and are available at the office.

All students have a lunch account and the specified amount is deducted from their account on days that they purchase school lunch. To assure student privacy, lunch account procedure is identical whether students are receiving free lunch, reduced lunch, or paying full price. The computer is programmed to deduct the correct amount for each individual child.

Parents can deposit any amount they wish into their child's account throughout the school year. This can be done online or at school.

In emergency situations the PTO provides a lunch for students so they do not go hungry. If a student uses a PTO lunch, it is expected that the PTO will be paid for that lunch. Please send a separate check or money to reimburse the PTO. At the end of the school year the report card of a student who owes the PTO for a lunch will be held in the office for parents to pick up.

Students may bring a sack lunch from home. Parents are asked to support the District wellness policy by providing nutritious, well balanced lunches containing limited amounts of sugar and fat. No soda or energy drinks are allowed in the lunchroom.

District wellness policy guidelines should be followed when providing snacks and treats for classroom parties, birthdays, etc. Contact the school office for a copy of the policy and guidelines or if you have questions.

We will be happy to schedule individual conferences as needed throughout the year. Please call the school if you have concerns or desire a meeting with your child's teacher.

### **PLACEMENT OF STUDENTS**

Students are placed in classes by the principal, in cooperation with teachers. Every effort is made to place each child in a class where he/she will have the greatest educational opportunity.

After school begins, room change requests are very carefully screened. Great care is taken to maintain stability and balance in all classrooms. Transfer requests from one room to another will not be considered until a conference with teachers, parents, and the principal has taken place.

### **WITHDRAWAL FROM SCHOOL**

Parents and students should notify the teacher and school office in advance of transferring to another school.

### **CONDUCT AND BEHAVIOR**

Consideration of other people, respect for their feelings, their safety, their privacy and their social rights and privileges form the basic expectation of student behavior at our school.

Students who choose inappropriate behavior will receive logical and natural consequences when possible. Students will be encouraged to take responsibility for their actions and to consider appropriate behavior alternatives.

Consequences will be progressive in that repeated offenses and dangerous actions will

result in more severe penalties. Serious or repeated offenses will result in a parent/student/principal conference. Very serious misconduct may result in suspension.

If you are in the building and you observe our students modeling safe, respectful, and responsible behavior, please compliment them individually or as a class. As a school, we are focused on acknowledging and reinforcing positive behavior. Your compliment has a direct impact on students and classes reaching their behavior goals.
