Dear Parents and Guardians,

Welcome back students, parents and guardians! The outstanding summer weather has set the stage for another fantastic school year!

The kindergarteners will not be the only new faces in the school this year. I am excited to welcome a few new staff members to the herd:

Mr. Moos – kindergarten teacher
Mr. Newton – sixth grade teacher
Mrs. Starr – school nurse
Mrs. Van Slyke – behavior interventionist

As we get back into the swing of things, please remember that any changes to the end of day routine for your student should be communicated to the office no later than 1:30 p.m.

If you are interested in serving on Site Council for K-Beach, please express this interest to the front office. More information about what site council entails can be found on the KPBSD website: http://www.kpbsd.k12.ak.us/students_parents.aspx?id=468&terms=site%20council .

Finally, September typically marks the rainiest month of the year. Students will be expected to go outside at recess even if it is raining. Please make sure that your student has the appropriate gear to stay dry at recess. To quote a fellow Alaskan, “There is no such thing as bad weather, just the wrong clothes.”

This is shaping up to be an incredible year!
