Dear Parents and Guardians,

We are definitely back into the swing of school. As we head into colder and darker conditions, I want to clarify a couple of different areas.

First, please do not drop students off in the parking lot. Dropping students off should only happen in the pull through lane. The parking lot will be used *only* for parents to park their vehicles and walk into the school with their student(s).

Second, students in Alaska appear to be far more acclimated to cold weather than those not from Alaska; however, basic winter weather gear is still required. Here are the minimum requirements for gear when the temperature is below 32 degrees Fahrenheit:

- Coat or covering that is in addition to regular clothing that covers arms
- Hat or hood

Ideally, students should also have gloves/mittens, boots, and snow pants. Thank you in advance for making sure that your student has the necessary gear. As always, if the appropriate gear is a financial hardship please contact me and I will work with you to make these provisions possible.

Finally, October 31, 2016 is Halloween. As far as activities go, each teacher handles this a little differently. Please contact your student's classroom teacher should you wish to find out more. As far as costumes go, I would ask that you not send your student to school with a costume that may be frightening or promote character qualities that we are not trying to promote at K-Beach. Examples of costumes that should not be worn at school include but are not limited to: zombies, anything with blood, grim reaper, witches, devils, stuff from horror movies, or costumes with any type of weapon, etc… Thank you in advance for adhering to this policy which will help sustain an environment of teaching and learning for all students.
