

Kalifornsky Beach Elementary Kindergarten Visitation

Attention! Next Year's Kindergartners!

April 4th
1:30 to 2:30

Your child can “*go to school*” for an hour while parents meet with the principal and register.

You can also pre-register your child at that time. You will need to bring the student’s immunization records and birth certificate (must be born before September 1, 2013 to attend next fall). In addition, all incoming students will need a school physical before they can attend school.

Please call the school office at 260-1300 for more information and to schedule a time for your child to visit.
