Volunteering?

If you plan on volunteering or chaperoning this school year, or eating lunch with your student, you must complete a volunteer screening form on the KPBSD webpage. These must be renewed each school year, and can take up to two weeks to go through.

Dear Parents and Guardians,

If you are new to the K-Beach community, welcome! We are glad to have you here! If you are a returning member of the herd, we are honored to continue to partner with you in your child's education.

It has been a great start to the school year here at K-Beach Elementary. Our students have been learning new routines and getting to know new teachers and classmates.

Thank you for the vital role you play in your child's success at school. A few ways you can contribute to your child's achievement is by asking your child about his/her day, having a positive attitude about learning, and reading to or with your child every night.

Thank you for all of your support at home!

Janae Van Slyke, Principal

PBIS at K-Beach Elementary

PBIS stands for Positive Behavioral Interventions and Supports. It is a framework for teaching, acknowledging, and rewarding positive behavior in our school. We have three school expectations: Be Respectful, Be Responsible, and Be Safe. Students are taught respectful, responsible, and safe behaviors in the different areas of our school building. Staff recognize students who demonstrate K-Beach's expectations. Students can earn Caribou Cash or Caribou Compliments from any staff member in the school. Each classroom keeps track of the number of Caribou Compliments received and has a class celebration when 50 or more compliments have been earned. When all of the classrooms have had a celebration, the whole school then participates in a school-wide celebration! PBIS will allow our school to spend less time focusing on negative behaviors and more time on learning and reinforcing valuable citizenship skills.

If you have any questions about PBIS, please contact Mrs. Kvamme.
