Note from the Kitchen:

Due to changes in the computer system, students are no longer able to "borrow" money from a sibling's account. Parents may still send in one check for the whole family, but please note how you would like the money split between their accounts. If you have any questions, please feel free to contact me.

- Mrs. Priscilla

The Love Inc. breakfast program is in need of volunteers. If you are interested in helping out, please contact Marge Wiley at 262-9586. Thank you!

Welcome back K-Beach Caribou!

The school year is off to a great start. Returning students are settling into their familiar routines and new students are catching on quickly. Here is some general information that you may find helpful throughout the school year:

- School begins at 7:55 a.m. and lets out at 2:25 p.m.
- Our front doors open at 7:15 a.m. To ensure student safety, please do not drop your child off earlier than that time.
- Any changes to your child's end-of-day routine must be communicated to the office by 1:30 p.m.
- All visitors to the school must check in at the office. There is a laptop in the front counter where you can sign in and obtain a visitor or volunteer pass.

We are fortunate to have many parent volunteers. For student safety, all volunteers are required to fill out an online volunteer application and submit to a background check before they can become a volunteer. Per KPBSD policy, this must be renewed every year. If you are interested in becoming a volunteer, please see the information on the reverse side of this newsletter.

Fall typically marks the rainiest time of year. Students will be expected to go outside at recess even if it is raining. Please make sure that your student has the appropriate gear to stay dry at recess. Thank you in advance for the supporting role that you play in your student's education.
